

(A wee poem from Mattie Stepanek (born 17.07.1990)
Proving Faith November 21, 2002

I am inclined to
A natural religion,
Common to all
With the proof
Of God's existence
Resting on faith.
I am inclined to
See goodness in all
With the proof
Of humanity's worth
Resting in faith.
I am inclined to
A desire for peace
For all the things created
With the proof
Of hope as a choice
Resting with faith.
I am inclined to
Believing in miracles
Relying on grace
With the proof of blessings
Granted through faith.
